

CELEBRATION FOOD

Dear Families,

We love celebrating birthdays at Hammondville Public School.

Families are welcome to share birthday cupcakes or donuts with classmates. This must be negotiated well in advance with the classroom teacher so that they can plan a suitable time throughout the day for this to occur.

Alternatively, the canteen can assist you by providing an ice block and small Milky Way bar for \$1.00 per child.

To order the birthday packs, at least one week in advance, please see the canteen and fill in the form below.

Birthday packs are not available to order through the My School Connect app. Payment is to be made in cash please.

If there are multiple ice block orders for a class on the same day it will be at the canteen and class teacher's discretion to choose another day. Parents will be contacted if this occurs.

We are unable to fill orders of birthday packs without adequate notice and unfortunately do not have the facilities to store ice blocks and food sent from home.

Please fill out the order form below and return to the canteen with payment.
